

To Whom It May Concern:

Some individuals have reported receiving a fraudulent letter and check from **“Microchip Tech Inc. or Microchip Tech Incorporated”** claiming to be from Microchip Technology Incorporated.

Microchip Technology Incorporated is in no way affiliated or associated with **“Microchip Tech Inc. or Microchip Tech Incorporated”** or the solicitation.

The fraudulent offline phishing letter from **“Microchip Tech Inc. or Microchip Tech Incorporated”** includes a fake User ID # and Password for a fictitious website as well as a fraudulent check drawn on Wells Fargo Bank N.A aimed at obtaining your personal information and data such as credit card and bank account information. If you receive a suspicious letter and/or check from **Microchip Tech Inc. or Microchip Tech Incorporated**, do not log on to the fake website, do not provide any of your personal information or data to anyone associated with this letter and check, do not call any phone numbers listed or follow any instructions in the letter and do not attempt to cash or deposit the fraudulent check.

If you receive this fraudulent phishing letter and a check, you may send a copy of the letter to abuse-contact@publicdomainregistry.com. You may also want to file a complaint with the U.S. Postal Inspection Service or to notify your local authorities.
